Library Benefits from Celebree Learning Centers' Fund Raiser

Westminster, MD—Carroll County Public Library received \$1000 as one of two local beneficiaries of a 5K/1K Fun Run, Walk, and Carnival held by Celebree Learning Centers of Tech Court in Westminster.

The first annual event, held the first weekend of June, had about 100 participants split between adults running a 5K and children walking a 1K. The Fun Run and Walk was followed by a carnival, which also raised funds with raffles, games, and vendors.

Celebree Learning Centers selected Carroll County Public Library as a beneficiary to raise awareness of the importance of early education. The missions of the two organizations are also closely aligned focusing on learning and accessibility to education.

Celebree Learning Centers also donated \$1000 to Ready at Five.
