News Release

For Immediate Release

Read, Participate, Discuss

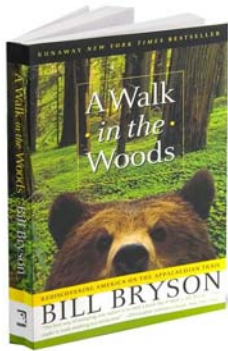

During March and April the Carroll County Public Library encourages Carroll Countians to read *A Walk in the Woods* by Bill Bryson as part of **On The Same Page: Carroll County Reads Together**. Younger readers are encouraged to read *Hoot* by Carl Hiaasen. Participants will then attend discussions and programs centering on their themes.

Events include community book discussions, storytimes, and nature programs. A listing of events is attached.

On The Same Page: Carroll County Reads Together is a wonderful way for Carroll County residents to come together and share the experience of reading. Carroll County Public Library's **On The Same Page** program is sponsored by McDaniel College. For more information, contact Lisa Back at 410.386.4500 ext. 3196, or Ann Wisner at 410.386.4500 ext. 3152.
